

## Corporate Function Packages

Do something a little more wild, and hold your corporate function at the Zoo

---

### Hold your corporate function at the zoo for something different.

Billabong Zoo, Koala and Wildlife Park is NSW's premier regional wildlife park, located in Port Macquarie, New South Wales, Australia. World-renowned for its koala breeding programme, Billabong Zoo is a significant regional zoo with a diverse range of Australian and Exotic animals and birds.

Having recently renovated our reception area, café and upstairs offices providing light, airy and modern facilities, we welcome visitors from all over Australia as well as overseas.

As part of the renovations, there is now an elegant boardroom with kitchen and boardroom facilities available for hire to corporates for meetings with up to 12 participants.

The next stage of renovations include the large function area and outside café area. The large function area will accommodate large parties of up to 100 people and will include corporate functions, private parties and wedding receptions.

**If you are interested in booking our boardroom or making a future reservation for our large function area, please call us on 6585 1060.**
